

OCEANSIDE FEDERATION OF TEACHERS

Dear OFT Member,

Our dues structure for the 2008/2009 school year is shown on the chart below. AFT, and NYSUT, dues were increased for all members. These increases were necessary to offset expenses. However, OFT dues remain unchanged! Please make certain proper dues are deducted from your paycheck. Compare your job title to those categorized and note the dues listed. Part time teachers', PT's, OT's dues are determined by salary range. If there are any errors in the amount of dues deducted or no dues are being deducted, please contact Bev Kaplan immediately via e-mail or interoffice mail at **School #5**. Contacting Bev early will avoid future problems.

By law, everyone must pay dues to their bargaining agent, the OFT.

It is your responsibility to pay the appropriate dues.

Fraternally,

MaryAnn Arnone #6
Financial Secretary

Bev Kaplan #5
Membership Chairperson
